PARENT ADVISORY COMMITTEE

Calling All Book Lovers! Volunteer for the Spring Book Fair!

The Parent Advisory Committee (PAC) is thrilled to announce our upcoming Spring Book Fair, happening from April 14th to 16th! This is a fantastic opportunity to support our school library and ignite a love of reading in our children. To make this event a success, we need your help!

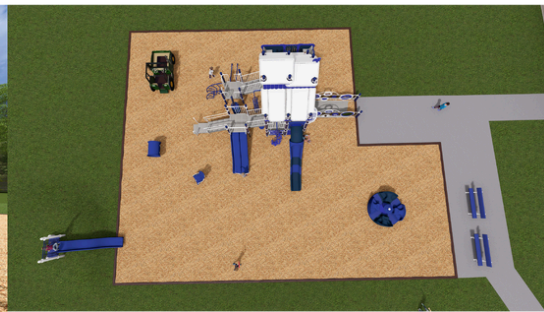

We're seeking enthusiastic volunteers to assist with various tasks, including setting up, helping students choose books, and managing sales. If you have a few hours to spare and want to be part of this exciting event, please call the GS office.

Your contribution will make a huge difference in bringing the joy of reading to our students. Thank you for your support!

ACCESSIBLE PLAYGROUND PROJECT

Our community is buzzing with excitement as we announce that the planning for our accessible playground is officially underway! This playground will be a space where all children, regardless of ability, can play, learn, and grow together.

We're incredibly grateful for the community's support and look forward to sharing updates as we progress towards making this dream a reality. Stay tuned for upcoming fundraising events and opportunities to contribute to this amazing project!

STUDENT LEADERSHIP

CLASS HIGHLIGHTS

GRADE ONE/TWO- MRS. GREKUL

We've had a busy March learning about 2-D and 3-D shapes, light energy and the Acadian community of Meteghan, Nova Scotia. In April we will be starting addition to 20 for grade 1s and to 100 for grade 2s. We will be learning about sound energy and visiting another community business.

GRADE ONE- MRS. SENDECKI

It was a busy month of March. I hope everyone had a relaxing spring break. We have started a new math unit all about skip counting. We are also working on adding numbers to 20 and reading number words. In Language Arts, the students are working on creating a planning web with five key ideas and then turning those ideas into five interesting sentences. We are starting a new Social unit on Our Community in the Past. We just finished our science unit on Energy and are about to start a new unit on Matter. Please make sure your child reads their Home Reading book every night and practices daily for their weekly spelling tests. I am so proud of each and every student's hard work at sounding out words and practicing so hard at reading!!

CLASS HIGHLIGHTS

GRADE TWO - MRS. GOODRICH

The grade 2 class enjoyed our St.Patrick's day activities. We had lots of green and shamrocks. We completed our social unit on the Inuit and the kids really enjoyed learning and hearing how the Inuit throat sing. Some of the kids are really good at doing it. We are now going to be learning about the prairie provinces.

GRADE 7 & 8 SCIENCE

I hope that everyone had a relaxing spring break! My name is Mickey Sawkiewicz and I have taken over teaching junior high science & physical education for Mrs. Thompson while she is on maternity leave. I am so excited to get to work with all of the students, as well as with all of you parents and guardians! Before spring break, both grades began their fourth science units. The grade 7s are now learning more about structures and forces while the grades 8s are learning about mechanical systems.

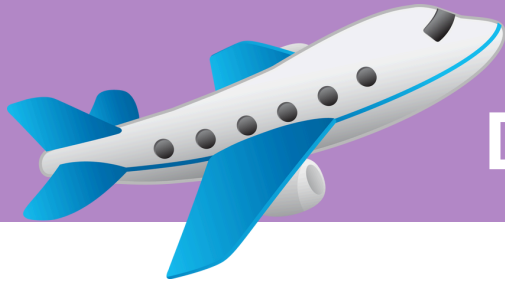

STUDENT- LED CONFERENCES

APRIL 16TH 2025

Mark your calendars!
Griffiths-Scott School is hosting

work our students have been doing!

DREAMS TAKE FLIGHT

We are thrilled to announce that Griffiths-Scott has once again been approved as an agency with **Dreams Take Flight!**

This incredible program offers the opportunity for a few deserving students to experience the magic of Disney.

To help make these dreams a reality, we are selling raffle tickets with a fantastic prize: **two return-trip flights to ANY destination that Air Canada flies!**

Here are the details:

- **Raffle Tickets:** \$5 each
- **Prize:** Two return-trip flights on Air Canada
- **Purchase Deadline:** May 30, 2025
- **Draw Date:** June 13, 2025

This is a wonderful opportunity to support our students and potentially win a fantastic trip for yourself!

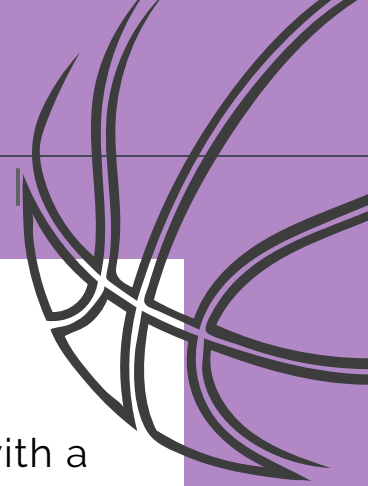

If you're interested in purchasing raffle tickets, please visit us at the school office. We'd be happy to assist you.

For more information about the Dreams Take Flight program, or if you would like to make a direct donation, please visit:

Thank you for your continued support of Griffiths-Scott and our students!

GSS SPORTS

BASKETBALL

Girls Basketball Team Wins Silver Medal in Finals

Our girls' basketball team capped off an incredible season with a silver medal finish in the finals! They faced some tough competition, but their skills and determination shone through. Congratulations to the players and coaches on this fantastic achievement!

Boys Basketball Season a Success

The boys' basketball season was also a resounding success. The team showed great improvement throughout the year, and their hard work and dedication were evident on the court. We're proud of their accomplishments and look forward to seeing them continue to grow as players and teammates.

WETASKIWIN HOCKEY ACADEMY

Hockey Hooky a Huge Hit!

Our recent "Hockey Hooky" trip to see the Edmonton Oil Kings was a resounding success! Students in grades 5-8 packed Rogers Place with roaring enthusiasm on Tuesday, March 12th. The atmosphere was electric, and everyone enjoyed the thrilling action on the ice. It was a fantastic opportunity for our students to experience the excitement of live hockey and create lasting memories. A big thank you to all the students, staff, and parent volunteers who made this "hooky" day so much fun! We're already looking forward to future opportunities to cheer on our local teams!
